## RoHS Directive Declaration of Compliance

To whom it may concern:

This letter is in response to concerns regarding EU directives on the restrictions of the use of following hazardous Substances, (RoHS), Directive 2011/65/EU:

- Lead
- Mercury
- Cadmium
- Hexavalent Chromium (CrVI),
- Polybrominated biphenyls (PBB),
- Polybrominated diphenyl ethers (PBDE)

This is to declare that all TECS products delivered to the European market are in compliance with the RoHS Directive. None of these substances are intentionally or knowingly used in the manufacturing of TECS DIN's products.

Yours sincerely,

---
